

valori profondamente unici

Lavelli costruiti con un'esclusiva tecnologia di nuova concezione.
Via saldature e smerigliature delle vasche, pareti del tutto verticali.
Ne guadagnano in profondità.

deeply unique values

Sinks built with exclusive new conception technology.
Without welds and grindings on bowls,
with completely vertical surfaces.
They gain in depth.

Profilo Standard

Il volume c'è, ma quasi non si vede. Il bordo infatti sporge dal piano di lavoro, ma in modo elegantemente impercettibile: il merito va all'inedito sistema di piegatura impiegato da CM.

Standard profile

The volume is there, but you can hardly see. The edge protrudes from the worktop, but in elegantly imperceptible way: the merit goes to the unpublished bending system used by CM.
